

PUBLIC AFFAIRS

STRATEGIC PLAN

Fiscal Years 2020-21 and 2021-2022

Introduction

The Orange County Sanitation District's (OCSD) Public Affairs Office (PAO) is responsible for creating, organizing, and disseminating all internal and external communication. The primary objective of our Public Affairs team is to deliver messages that are accurate, transparent, and designed to foster public trust and confidence. An integrated Public Affairs Strategic Plan is essential to deal effectively with the variety of audiences we serve.

The Public Affairs staff provides services and tools and implements programs to meet the communication needs of several audiences for OCSD. This includes planning and implementing media relations; website and intranet site content; construction outreach; elected officials, and government relations; internal communications, education, and outreach; and graphic development.

The Public Affairs Office has created a Strategic Plan for Fiscal Years 2020 - 2022. This Plan is developed based upon the principles of OCSD's Mission of protecting public health and the environment and will support the implementation of OCSD's Strategic Plan. This Plan offers a vision to unify our communication efforts and focus resources to achieve the greatest impact and greatest results.

This plan was created amidst the COVID-19 pandemic thus resulting in modifications to the goals and objectives. Much of what is planned and created by this group is based on external factors and therefore outside of our control. The Public Affairs Office will follow the guidance set forth by Management and the Board of Directors to carry out OCSD's messaging and support our member agencies.

Background Information

The Orange County Sanitation District represents 20 cities, 4 special districts and a portion of the unincorporated County of Orange. This area represents a community of 2.6 million people with approximately 550,000 customer accounts.

Unlike most public agencies where there is direct contact with customers, at the Orange County Sanitation District, billing occurs through the County of Orange property tax bills. Therefore, the Sanitation District, must work through other means to communicate with the public and the rate payers.

We have a 25-member Board of Directors, and over 600 employees within six departments with various goals and objectives. While these groups work independently on a variety of projects, the goal of the Public Affairs Office is to provide support and messaging that is consistent throughout the agency so that we are one voice, representing the same overall goals, and portraying the same brand.

While there are many challenges with serving such a large and diverse customer base, there are also great opportunities working through the strategies laid out in this Plan.

Public Affairs Team

The division is staffed with six full-time employees and overseen by the Manager.

Jennifer Cabral, Administration Manager

Daisy Covarrubias, Principal Public Affairs Specialist

Rebecca Long, Senior Public Affairs Specialist

Kelly Newell, Public Affairs Specialist

Belen Carrillo, Public Affairs Specialist

Gregg Deterding, Graphics Designer

Cheryl Scott, Administrative Assistant

Each of these staff members carry out specific functions to meet the communication goals and objectives laid out in this Plan.

Situation Analysis

- There is a global pandemic occurring which has shifted the way we operate and perform our mission of protecting public health and the environment. As we learn to navigate the recovery phase and move into new social distancing norms, our communication efforts will be modified accordingly to meet the needs of the agency, community, and workforce.
- Due to COVID-19, close to 50 percent of staff is working remotely. The uncertainty of the pandemic creates unknown future work conditions for staff. These circumstances impact the ability and method of communicating and reaching employees, thus alternative communication techniques must be explored and implemented.
- OCSD is in the third year of a five-year rate program, with a scheduled 1.2 percent increase in fees to take effect July 1. Due to the economic impacts of COVID-19 the rate increase for Fiscal Year 2020-2021 will be delayed with no significant financial impacts to OCSD operations.
- There could potentially be a significant turnover of board members in 2020. Succession management and onboarding for the board members is critical for the success of this agency.

- During the COVID-19 pandemic, OCSD has sustained its operational, planning, and preparation efforts to ensure there is no lapse in service today or in the future. As an essential service, OCSD has continued to execute the Capital Improvement Program (CIP) to keep the regional projects on schedule that are enhancing our entire service area. In Fiscal Year 2020-2021 OCSD is on track to bid and issue \$500 million of construction contracts for over 35 projects.

Mission

The Public Affairs Office is committed to communicating information about OCSD in a timely, accurate and accessible way to the employees, the Board of Directors, our member agencies, the public, and the news media.
