RE: Parcel numbers - 032-142-15 and 032-142-16

My name is Linda Hunter and I am a senior citizen. I would refer to this increase as “the middle class squeeze”. These hikes don’t affect the rich, and it doesn’t affect the poor as they are eligible for assistance.

Are you getting less revenue? Are you having to pay your outgoing retirees? Why does the middle class end up having to pay in the long run?

There must be another way of “protecting public health and the environment”.

I’m tired of all these utility companies, etc., coming after me. NO ON RAISING RATES.
