BACKGROUND

Sections 5473 and 5473.1 of the State Health and Safety Codes allow the Orange County Sanitation District (Sanitation District) to collect the Sanitary Sewer Service Charges on the County's Property

Tax Roll. The Sanitation District has exercised this option in the past because it has proven to be a cost-effective method of collection. To collect the charges on the tax roll it is necessary annually to:

1. File a report with the Clerk of the Board identifying each parcel of real property receiving the Sanitation District's services and the amount of the charge; and
2. Provide notice and conduct a public hearing on the report.

RELEVANT STANDARDS

- Maintain a culture of improving efficiency to reduce the cost to provide the current service level or standard
- Cost-effective and most efficient method to collect sewer service fees

PROBLEM

The California Health and Safety Code requires a public hearing on the annual report of charges and mechanism to collect sewer fees.

PROPOSED SOLUTION

Provide notice of and hold a public hearing on annual charges and adopt a resolution directing the County Tax Collector-Treasurer to include local and regional sanitary sewer service charges on the tax roll.

TIMING CONCERNS

Special Assessments are due to the County Auditor-Controller in August to be included on the tax roll.

RAMIFICATIONS OF NOT TAKING ACTION

Approximately \$312 million of sanitary sewer service charges would not be collected on the County tax roll.

PRIOR COMMITTEE/BOARD ACTIONS

Similar hearings are conducted annually to enable the Sanitation District to collect local and regional sanitary sewer service charges via special assessments on the tax roll.

June 2020 - The Board of Directors reduced the approved Single Family Residential (SFR) rates, Multi-Family Residential (MFR) rates and Industrial Discharges Charge for Fiscal Year 2020-21.

March 2018 - The Board of Directors approved the Multi-Year Regional Sewer Service Charge Schedule.

FINANCIAL CONSIDERATIONS

Collecting sanitary sewer service charges on the County tax roll is the most efficient and cost-effective way of collecting these charges from property owners.
