On-Call Maintenance and Repair Master Services Contracts, Specification No. S-2024-1447BD

Presented by David Haug,
Maintenance Superintendent

Operations Committee
October 2, 2024

1

Background

Master Services Contracts is an innovative contracting method developed to allow repair work to be bid and awarded. On average this contracting method is 70% faster than the typical procurement time, while still maintaining a formal bid process and preserving competition.
