SUBJECT:

WASTEWATER REFUNDING REVENUE OBLIGATIONS, SERIES 2025A

GENERAL MANAGER'S RECOMMENDATION

RECOMMENDATION: Recommend to the Board of Directors to:

- A. Adopt Resolution No. OC SAN 25-XX titled: "A Resolution of the Board of Directors of the Orange County Sanitation District authorizing the execution and delivery by the District of an Installment Purchase Agreement, a Trust Agreement, a Purchase Agreement, a Continuing Disclosure Agreement and an Escrow Agreement in connection with the Orange County Sanitation District Wastewater Refunding Revenue Obligations, Series 2025A, authorizing the execution and delivery of such Revenue Obligations evidencing principal in an aggregate amount of not to exceed \$120,000,000, approving a Notice of Intention to Sell, authorizing the distribution of an Official Notice Inviting Bids and an Official Statement in connection with the offering and sale of such Revenue Obligations and authorizing the execution of necessary documents and related actions"; and
- B. That the Orange County Sanitation District Financing Corporation approve the documents supporting and authorizing the Revenue Obligations in an aggregate amount not to exceed \$120,000,000.

BACKGROUND

July 2025 - Authorized the General Manager to pursue fixed a rate refunding of the 2016A Revenue Obligations. Approval of the recommended actions and the associated documents will enable staff to complete the refunding.

March 2016 - Adopted Resolution No. OCSD16-03, authorizing the execution and delivery by the District of an Installment Purchase Agreement, a Trust Agreement, an Escrow Agreement and a Continuing Disclosure Agreement in connection with the execution and delivery of Orange County Sanitation District Wastewater Refunding Revenue Obligations, Series 2016A, authorizing the execution and delivery of such Revenue Obligations evidencing principal in an aggregate amount of not to exceed \$163,000,000, approving a Notice of Intention to Sell, authorizing the distribution of an Official Notice Inviting Bids and an Official Statement in connection with the offering and sale of such Revenue Obligations and authorizing the execution of necessary documents and related actions; and

that Orange County Sanitation District Financing Corporation approved the documents supporting and authorizing the Revenue Obligations in an aggregate amount not to exceed \$163,000,000.

RELEVANT STANDARDS

- Comply with OC San Debt Policy - Financial Management and Procedure 201-3-1; Net present value savings are at least three (3) percent of the par amount of the refunded bonds from refunding outstanding bonds

PROBLEM

The interest rates payable on the 2016A Revenue Obligations are higher than current market yields.

PROPOSED SOLUTION

The issuance of up to \$120,000,000 of Wastewater Refunding Revenue Obligations, Series 2025A would allow OC San to refund up to all of the outstanding 2016A Revenue Obligations using a refunding amortization structured with the objective of providing level annual debt service savings (in years with principal maturing) and to generate net present value debt service savings of approximately \$10.4 million (equal to 9.5% of refunded principal), based on market conditions as of August 27, 2025.

TIMING CONCERNS

OC San has the option of early redemption of the 2016A Revenue Obligations as of February 1, 2026. If the 2016A Revenue Obligations remain outstanding past the earliest optional redemption dates, OC San would pay interest costs above current market yields.

RAMIFICATIONS OF NOT TAKING ACTION

Not refunding the 2016A Revenue Obligations would result in OC San continuing to pay above market interest costs.

PRIOR COMMITTEE/BOARD ACTIONS

July 2025 - Authorized the General Manager to issue new fixed rate Certificates of Participation, to be referred to as Wastewater Refunding Revenue Obligations, in an amount sufficient to refund up to \$109,935,000 of Wastewater Refunding Revenue Obligations, Series 2016A.

February 2016 - Adopted Resolution No. OCSD16-03, authorizing the execution and delivery by the District of an Installment Purchase Agreement, a Trust Agreement, an Escrow Agreement and a Continuing Disclosure Agreement in connection with the execution and delivery of Orange County Sanitation District Wastewater Refunding Revenue Obligations, Series 2016A, authorizing the execution and delivery of such Revenue Obligations evidencing principal in an aggregate amount of not to exceed \$163,000,000, approving a Notice of Intention to Sell, authorizing the distribution of an Official Notice Inviting Bids and an Official Statement in connection with the offering and sale of such Revenue Obligations and authorizing the execution of necessary documents and related actions; and

that the Orange County Sanitation District Financing Corporation approved the documents supporting and authorizing the Revenue Obligations in an aggregate amount not to exceed \$163,000,000.

ADDITIONAL INFORMATION

Since this is a fixed-rate debt issuance, staff is proposing to issue the refunding through a competitive sale because it is the most expeditious way to access the market, and it is expected to provide the lowest costs for this given structure. All costs involved with the refunding, including costs for PFM Financial Advisors LLC (Municipal Advisor) and Norton Rose Fulbright US LLP (Special Counsel and Disclosure Counsel), will be paid from the proceeds of the new refunding issue.

For the anticipated issuance of 2025A Revenue Obligations, OC San's Municipal Advisor, Public Resources Advisory Group, estimates, based on market conditions as of August 27, 2025, and subject to changing market conditions which may result in the figures being higher or lower, the following:

- a) true interest cost of 3.14% (currently 4.97%);
- b) sum of all fees and charges paid to third parties of \$864,775;
- c) net proceeds of \$111,347,315; and
- d) total payments of \$136,766,372.

Legal Authorization and Approvals

The OC San Board of Directors and Financing Corporation will each be required to adopt separate Resolutions to complete this refunding. A Financing Corporation is required by the structure of the Revenue Obligations and was formed in April 2000 solely to satisfy this need. The Board of Directors of the Corporation are the same as the Board of Directors of OC San, and the Corporation meets after an adjournment of the OC San Board meeting.

Following is a list of the remaining steps to be completed for the issuance of the Wastewater Refunding Revenue Obligations, Series 2025A debt issuance:

September 2025:

- Board approval of legal and disclosure documents
- Financing Corporation approval of legal and disclosure documents
- Receive ratings from bond rating agencies

October 2025:

- Marketing and sale through a competitive sale process

November 2024:

- Closing
- Begin debt administration
