- “I am aware of the provisions of section 3700 of the Labor Code which require every employer to be insured against liability for workers’ compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the Work of this Contract.”

Contractor shall ensure that all its contracts with its subcontractors provide the provision above.

7. **Damage to OC San's Property.** Any of OC San's property damaged by Contractor, any subcontractor, or by the personnel of either will be subject to repair or replacement by Contractor at no cost to OC San.
8. **Freight (F.O.B. Destination).** Contractor assumes full responsibility for all transportation, transportation scheduling, packing, handling, insurance, and other services associated with delivery of all products deemed necessary under this Contract.
9. **Audit Rights.** Contractor agrees that, during the term of this Contract and for a period of three (3) years after its expiration or termination, OC San shall have access to and the right to examine any directly pertinent books, documents, and records of Contractor relating to the invoices submitted by Contractor pursuant to this Contract.
10. **Contractor Safety Standards and Human Resources Policies.** OC San requires Contractor and its subcontractor(s) to follow and ensure their employees follow all Federal, State, and local regulations as well as the Contractor Safety Standards while working at OC San locations. If, during the course of the Contract, it is discovered that the Contractor Safety Standards do not comply with Federal, State, or local regulations, the Contractor is required to follow the most stringent regulatory requirement at no additional cost to OC San. Contractor, its subcontractors, and all of their employees shall adhere to the safety requirements in Exhibit "A," all applicable Contractor Safety Standards in Exhibit "D," and the Human Resources Policies in Exhibit "E."
11. **Insurance.** Contractor and all its subcontractors shall purchase and maintain, throughout the term of this Contract and any periods of warranty or extensions, insurance in amounts equal to the requirements set forth in the signed Exhibit "C" – Determined Insurance Requirement Form. Contractor shall not commence Work under this Contract until all required insurance is obtained in a form acceptable to OC San, nor shall Contractor allow any subcontractor to commence service pursuant to a subcontract until all insurance required of the subcontractor has been obtained. Failure to obtain and maintain the required insurance coverage shall result in termination of this Contract. Nothing contained in these insurance requirements is to be construed as limiting the liability of the Contractor or the Contractor's Sureties.
12. **Bonds.** Contractor shall, before entering upon the performance of any Task Order awarded under this Contract, furnish bonds, if required as specified in an individual Request for Task Order Bid. The form of each bond shall be provided in the Request for Task Order Bid. The bonds shall be approved by OC San's General Counsel – one in the amount of one hundred percent (100%) of the Task Order amount, to guarantee the faithful performance of the Work, and the other in the amount of one hundred percent (100%) of the Task Order amount, to guarantee payment of all claims for labor and materials furnished. Task Order shall not become effective until such bonds are supplied to and accepted by OC San. Bonds must be issued by a California admitted surety and must be maintained throughout the life of the Task Order and during the warranty period.

Contractor is hereby notified that it is required that the person executing the Bonds either (1) attach a power of attorney authorizing the person who executed the bond to do so for and on behalf of the insurer; or (2) must have on file with the County Clerk, County of Orange, a Power of Attorney and authorization to execute said Bonds for and on behalf of the corporate surety.

The purpose of this requirement is to insure that the provisions of Code of Civil Procedure Section 995.630 requiring such authority to be on file with the Orange County Clerk are satisfied in order for the OC San and its officers to approve the bond.

13. **General Indemnification.** The Contractor shall, with respect to all Work covered by or incidental to these Contract Documents, be responsible for any liability imposed by law and shall indemnify, defend and hold OC San, the ENGINEER, the CONSULTANT and its subconsultants, and each of their directors, officers, agents and employees, and all public entities issuing permits to the Contractor, free and harmless from and against all of the following:

Any claim, suit or action of every name, kind, and description, loss, damage, cost, expenses, including reasonable attorney's fees and expert fees, costs of compliance with administrative orders and directives, litigation, arbitration, awards, fines, and administratively or judicially-imposed penalties or judgments, arising by reason of death or bodily injury to person(s), injury to property, or other loss, damage or expense, resulting from the construction or performance of the Work, design defects (if design originated by the Contractor only), defects in the Work, or by or on account of acts, errors or omissions of the Contractor or Contractor's Subcontractors, Suppliers, employees, invitees, or agents or from any other cause whatsoever arising during the progress of the Work or at any time prior to its completion and Final Acceptance, including any of the same resulting from OC San's alleged or actual acts, errors, or omissions regardless of whether on or off of the worksite. Said responsibility shall extend to claims, demands or liability for loss, damage or injuries occurring or discovered after completion of the Work, as well as during the progress of the Work. However, the Contractor shall not be obligated under this Contract to indemnify OC San, the ENGINEER or its CONSULTANT(s) with respect to the active negligence, sole negligence or willful misconduct of OC San, the ENGINEER, or its CONSULTANT(s). In addition, if any action is brought against the Contractor or any Subcontractor to enforce a stop payment notice or Notice to Withhold, which names OC San as a party to said action, OC San shall be entitled to reasonable attorney's fees, costs and necessary disbursements arising out of the defense of such action by OC San. OC San shall be entitled to deduct its costs for any stop payment notice filed, whether court action is involved or not.

In any and all claims against the indemnified parties by an employee of the Contractor, any Subcontractor, any Supplier, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, the indemnification obligation as specified herein shall not be limited in any way by the amount or type of damages, compensation, or benefits payable by or for the Contractor, or any Subcontractor, or any Supplier or other person under Workers' Compensation acts, disability benefit acts, or other employee acts.

The obligations of the Contractor as specified herein shall not extend to the liability of the ENGINEER, the CONSULTANT or its subconsultants, and each of their directors, officers, agents and employees, arising out of or resulting from or in connection with the preparation of approval of maps, Drawings, opinions, reports, surveys, designs or Specifications, provided that the foregoing was the sole and exclusive cause of the loss, damage or injury.

The Contractor shall also be responsible for and shall indemnify, defend and hold harmless OC San, the ENGINEER the CONSULTANT and its subconsultants, and each of their directors, officers, employees, and agents from and against all losses, expenses, damages (including damages to the Work itself), attorney's fees, and other costs, including all costs of defense, which any of them may incur with respect to the failure, neglect, or refusal of the

Contractor to faithfully perform the Work and all of the Contractor's obligations under the Contract. Such costs, expenses, and damages shall include all costs, including attorney's fees incurred by the indemnified parties in any lawsuit to which they are a party.

In the event Contractor or its insurer refuses or fails to provide a legal defense to OC San after receiving written notice of the legal action and a tender and demand for defense, OC San shall have the right to select counsel of its own choice to represent all the interests of OC San at Contractor's cost and expense. Contractor agrees that the amount of legal costs and expenses, including attorneys' fees, may be withheld by OC San from any Contract amounts due and owing to Contractor until such time as a final determination is made as to the responsibility for payment of said fees and costs. Contractor further agrees that to the extent OC San incurs such damages and the damages exceed any remaining Contract amounts due and owing to Contractor, Contractor shall reimburse OC San for all such additional damages upon demand by OC San for the same.

Contractor and OC San agree that nothing in this section is intended to be or is a prevailing party clause as it pertains to attorney's fees.

14. **Independent Contractor.** The relationship between the Parties hereto is that of an independent contractor and nothing herein shall be deemed to make Contractor an OC San employee. During the performance of this Contract and any Task Order, Contractor and its officers, employees, and agents shall act in an independent capacity and shall not act as OC San's officers, employees, or agents. Contractor and its officers, employees, and agents shall obtain no rights to any benefits which accrue to OC San's employees.
15. **Subcontracting and Assignment.** Contractor shall not delegate any duties nor assign any rights under this Contract and any Task Order without the prior written consent of OC San. Subcontractors not specifically listed in the Task Order Bid will not be recognized as such and will not be allowed to work on the Task Order/Project unless the value of said Work is less than one-half of one percent (1/2%) of the total Task Order Price. All persons engaged in the Work of the Task Order will be considered as employees of the Contractor, and not as independent contractors. No assignment of any portion of the Work or of any obligation or duty under the Contract or Task Order is permitted without the express prior written consent of OC San, and as otherwise authorized by the Contract Documents. Any such attempted delegation or assignment shall be void.
16. **Disclosure.** Contractor agrees not to disclose, to any third party, data or information generated from this Contract and any Task Order without the prior written consent from OC San.
17. **Non-Liability of OC San Officers and Employees.** No officer or employee of OC San shall be personally liable to Contractor, or any successor-in-interest, in the event of any default or breach by OC San, or for any amount which may become due to Contractor or to its successor, or for breach of any obligation under the terms of this Contract and any Task Order.
18. **Third-Party Rights.** Nothing in this Contract and any Task Order shall be construed to give any rights or benefits to anyone other than OC San and Contractor.
19. **Applicable Laws and Regulations.** Contractor shall comply with all applicable Federal, State, and local laws, rules, and regulations. Contractor also agrees to indemnify and hold OC San harmless from any and all damages and liabilities assessed against OC San as a result of

Contractor's noncompliance therewith. Any provision required by law to be included herein shall be deemed included as a part of this Contract and any Task Order whether or not specifically included or referenced.

20. **Licenses, Permits, Ordinances, and Regulations.** Contractor represents and warrants to OC San that it has obtained all licenses, permits, qualifications, and approvals of whatever nature that are legally required to provide the Services. Any and all fees required by Federal, State, County, City, and/or municipal laws, codes, and/or tariffs that pertain to the Work performed under this Contract and any Task Order will be paid by Contractor.
21. **Regulatory Requirements.** Contractor shall perform all Work under this Contract and any Task Order in strict conformance with applicable Federal, State, and local regulatory requirements including, but not limited to, 40 CFR 122, 123, 124, 257, 258, 260, 261, and 503, Title 22, 23, and Water Codes Division 2.
22. **Environmental Compliance.** Contractor shall, at its own cost and expense, comply with all Federal, State, and local environmental laws, regulations, and policies which apply to the Contractor, its subcontractors, and the Services, including, but not limited to, all applicable Federal, State, and local air pollution control laws and regulations.
23. **South Coast Air Quality Management District's Requirements.** It is Contractor's responsibility to ensure that all equipment furnished and installed comply with the latest rules and regulations of the South Coast Air Quality Management District (SCAQMD). All Contract Work practices, which may have associated emissions such as sandblasting, open field spray painting, or demolition of asbestos containing components or structures shall comply with the appropriate rules and regulations of SCAQMD.
24. **Dispute Resolution.**
 - 24.1 In the event of a dispute as to the construction or interpretation of this Contract, or any rights or obligations hereunder, the Parties shall first attempt, in good faith, to resolve the dispute by mediation. The Parties shall mutually select a mediator to facilitate the resolution of the dispute. If the Parties are unable to agree on a mediator, the mediation shall be conducted in accordance with the Commercial Mediation Rules of the American Arbitration Agreement, through the alternate dispute resolution procedures of Judicial Arbitration through Mediation Services of Orange County ("JAMS"), or any similar organization or entity conducting an alternate dispute resolution process.
 - 24.2 In the event the Parties are unable to timely resolve the dispute through mediation, the issues in dispute shall be submitted to arbitration pursuant to Code of Civil Procedure, Part 3, Title 9, sections 1280 et seq. For such purpose, an agreed arbitrator shall be selected, or in the absence of agreement, each party shall select an arbitrator, and those two (2) arbitrators shall select a third. Discovery may be conducted in connection with the arbitration proceeding pursuant to Code of Civil Procedure section 1283.05. The arbitrator, or three (3) arbitrators acting as a board, shall take such evidence and make such investigation as deemed appropriate and shall render a written decision on the matter in question. The arbitrator shall decide each and every dispute in accordance with the laws of the State of California. The arbitrator's decision and award shall be subject to review for errors of fact or law in the Superior Court for the County of Orange, with a right of appeal from any judgment issued therein.

- 25. Liquidated Damages.** Liquidated damages (Liquidated Damages), if any, shall be specified in Task Order. In the event the Contractor fails to achieve Final Completion of the Task Order within the required period of performance or fails to meet any other time requirements set forth in the Task Order, including the timely submittal or update of the Task Order Schedule or achievement of any designated milestones or deadline as required in the approved Task Order Bid Price Form, after due allowance for extensions of time made in accordance with the Contract Documents, if any, OC San will sustain damage which would be extremely difficult and impracticable to ascertain. The Parties therefore agree that in each such event, Contractor will pay to OC San a determined sum per day, as Liquidated Damages, and not as a penalty, for each and every calendar day during which Final Completion of the Task Order is so delayed, or timely submittal or update of the Task Order Schedule is so delayed. If deadlines for milestones are identified in the approved Task Order, Contractor shall pay OC San the Liquidated Damage amount corresponding to that milestone for each and every day during which the achievement of the milestone is delayed. Contractor agrees to pay such Liquidated Damages and further agrees that OC San may offset the amount of Liquidated Damages from any monies due or that may become due to the Contractor under the Task Order. Contractor also agrees that to the extent the amount of Liquidated Damages exceeds any monies due to the Contractor under the Task Order, Contractor shall pay all such amounts to OC San upon demand. Liquidated Damages due to delays in achieving a milestone or deadline will not be credited toward Liquidated Damages due to delays in achieving subsequent milestones, deadlines or Final Completion of the Task Order. If this provision is found for any reason to be void, invalid, or otherwise inoperative so as to disentitle OC San from claiming Liquidated Damages, OC San is entitled to claim against the Contractor damages at law for the Contractor's failure to complete the Work of the Task Order by the Final Completion date.
- 26. Remedies.** In addition to other remedies available in law or equity, if the Contractor fails to make delivery of the goods and Services or repudiates its obligations under this Contract, or if OC San rejects the goods or Services or revokes acceptance of the goods and Services, OC San may (a) cancel the Contract; (b) recover whatever amount of the purchase price OC San has paid, and/or (c) "cover" by purchasing, or contracting to purchase, substitute goods and Services for those due from Contractor. In the event OC San elects to "cover" as described in (c), OC San shall be entitled to recover from Contractor as damages the difference between the cost of the substitute goods and Services and the Contract price, together with any incidental or consequential damages.
- 27. Force Majeure.** Neither party shall be liable for delays caused by acts of a public enemy; fires; floods; explosions; epidemics; quarantine restrictions; blockades; freight embargoes; strikes; boycotts; labor disputes; demonstrations; earthquakes; tidal waves; hurricanes; landslides; tornados; pandemics; epidemics; shortage of, or inability to obtain materials or reasonably acceptable substitute materials; acts of terror or terrorism; unreasonable delays in issuing necessary Permits or approvals or conducting inspections not caused by Contractor; the inability to obtain easements, licenses, dedications, approvals or title required for utilities not caused by Contractor; power outages; war and related causes; nuclear perils; explosion or nuclear, radioactive, chemical or biological contamination not caused by Contractor; any adverse or inclement weather conditions, including thunderstorms, lightning, tornadoes and other windstorms; or other actions outside of the control of Contractor, including acts of god. Work affected by a force majeure condition may be rescheduled by mutual consent of the Parties provided that Contractor shall have given OC San written notice of the force majeure condition within fifteen (15) days thereof.

28. Termination.

28.1 **Termination for Convenience.** OC San reserves the right to terminate this Contract for its convenience, with or without cause, in whole or in part, at any time, at its own discretion or when conditions encountered during the Work make it impossible or impracticable to proceed, or when OC San is prevented from proceeding with the Contract by act of God, by law, or by official action of a public authority, or upon a determination that such termination is in the best interest and convenience of OC San, or whenever OC San is prohibited from completing the Work for any reason, by written notice from OC San of intent to terminate.

Upon receipt of such written notice of termination, Contractor shall:

1. Immediately stop all Work under this Contract and the Task Order (unless the notice directs otherwise);
2. Terminate all orders and Subcontractors except as necessary to complete Work which is not terminated;
3. If directed in writing by OC San to do so, assign all right, title and interest in subcontracts and materials in progress, in which case OC San will have the right at its discretion to settle, or pay any or all claims arising out of the termination of such Subcontractors, but in no event shall recovery by any Contractor include lost profits for uncompleted portions of Work;
4. Deliver or otherwise make available to OC San all data, Drawings, Specifications, reports, estimates, summaries and such other information and material as may have been accumulated by the Contractor in performing this Contract and the Task Order whether completed or in process;
5. Settle outstanding liabilities and claims with the approval of OC San;
6. Complete performance of such part of the Work as has not been terminated; and
7. Take such other actions as may be necessary, or as may be directed by OC San for the protection and preservation of the Project and/or property related to the Contract and Task Order.

Upon receipt of OC San's written notice of termination for convenience, and within a period of 15 to 30 days, as determined by the ENGINEER at the time of termination, the Contractor shall submit to the ENGINEER a termination proposal which shall include, but is not limited to, the Contractor's estimated costs to be incurred by the Contractor as a result of the termination for convenience, and as allowed by the Contract Documents, including all documentation to support such costs; the status of the Work at time of termination; the status of termination of the Contractor's Subcontractor(s) and Supplier(s) agreement(s) including the amount of each said agreement, amount paid under each agreement up to the date of termination, and the amount that currently remains due and owing under each agreement for Work completed as of the date of termination, if any; a list, certified as to quantity and quality, of termination inventory not previously disposed of, excluding items authorized for disposition by the ENGINEER; and any other information and/or documentation as required by OC San.

Upon receipt of OC San's written notice of termination for convenience, the Contractor shall submit to the ENGINEER, within thirty (30) days, a request for final payment. The

final payment to the Contractor after termination for convenience shall be limited to amounts due and owing under the Contract at time of termination, including the following:

1. Any actual costs incurred by the Contractor for restocking charges;
2. The agreed upon price of protecting the Work in any manner, if any, as directed by OC San;
3. The cost of settling and paying claims arising out of the termination of the Work under subcontract agreements or orders with OC San's approval, as specified above, exclusive of the of the amounts paid or payable on account of goods delivered or Work furnished by Subcontractor prior to the effective date of the termination; and
4. The actual costs incurred by the Contractor allocable to the portion of the Work properly performed or goods supplied by the Contractor as of the date of termination, reduced by any sums previously paid to the Contractor.

Contractor expressly waives any claim to receive anticipated profits to be earned during the uncompleted portion of this Contract and the Task Order. Such notice of termination shall terminate this Contract and the Task Order, and release OC San from any further fee, cost, or claim hereunder by Contractor other than for Work performed through the date of termination.

OC San shall have the right to withhold any portion or the whole of the final payment under this provision in the event there are any outstanding claims for compensation asserted by OC San against the Contractor, or by any third party against OC San which arises out of the Contractor's Work.

All OC San's property in the possession or control of the Contractor shall be returned by the Contractor to OC San on demand, or at the termination of this Contract, whichever occurs first.

28.2 Termination for Default. OC San reserves the right to terminate this Contract immediately upon OC San's determination that Contractor is not complying with the Scope of Services requirements, if the level of service is inadequate, or for any other default of this Contract and any Task Order. If the Contractor refuses or fails to prosecute the Work in any awarded Task Order or any separable part thereof with such diligence as will ensure its completion within the time specified herein, or any authorized extension thereof, or fails to perform the Work in a manner required by the Contract Documents and/or industry standards, or fails to complete such Work within such time as required under the Task Order and the Contract Documents or, if the Contractor should be adjudged as bankrupt, or is otherwise deemed insolvent by OC San based on good cause and is unable to proceed with the Work, or if the Contractor should make a general assignment for the benefit of creditors, or if a receiver should be appointed on account of insolvency, or if the Contractor files a petition to take advantage of any debtor's act, or should any Subcontractor violate any of the provisions of the Contract and the Task Order, or if the Contractor should persistently or repeatedly refuse or fail, except in cases for which an authorized extension of time is provided, to supply enough properly skilled workers or proper materials to complete the Work in the time specified, or if the Contractor should fail to make prompt payment to Subcontractors for material or labor, or if the Contractor should persistently disregard laws, or instructions given by OC San, or if the

Contractor otherwise substantially fails to fulfill its obligations under the Contract Documents and the Task Order, OC San may, without prejudice to any other right or remedy, serve written notice upon the Contractor and Sureties of OC San's intention to terminate the Contract and the Contractor's performance under the Task Order. Said notice shall contain the reasons for such intention to terminate the Contract and the Contractor's performance under the Task Order, and unless, within ten (10) days after the service of such notice, such violations cease and/or satisfactory arrangements for the corrections thereof have been made, the OC San may terminate the Contract and Contractor's performance under the Task Order and the Contractor shall not be entitled to receive any further payment until the Work is finished.

In the event of any such termination, OC San shall serve written notice thereof upon the Surety and Contractor, and the Surety shall have the right to take over and perform the Work under the Task Order. However, if the Surety, within five (5) days after the service of a notice of termination, does not give OC San written notice of its intention to take over and perform the Task Order, and if it serves such notice of its intent to take over and perform the Work under the Task Order and does not begin performance thereof within fifteen (15) days from the date of serving said notice, OC San may take over the Work and prosecute the same to completion by contract or by any other method it may deem advisable for the account and at the expense of the Contractor, and the Sureties and/or Contractor shall be liable to OC San for any excess cost or other damage incurred by OC San thereby. In such an event OC San may without liability for so doing, take possession of and utilize such materials, tools, equipment, supplies and other property belonging to the Contractor and/or assume assignment of any and all subcontracts for Subcontractors and/or Suppliers that may be on the worksite and be necessary to complete the Work. For any portion of such Work that OC San elects to complete by furnishing its own employees, materials, tools, and equipment, OC San shall be compensated in accordance with the schedule of compensation for force account Work as stated in the General Conditions section entitled Task Order Price Adjustments and Payments.

If the Surety assumes the Contractor's terminated Work, it shall take the Contractor's place in all respects for that part and shall be paid by OC San for all Work performed by it in accordance with the terms of the Contract Documents and the Task Order. If the Surety assumes the entire Task Order, all money due the Contractor at the time of its default shall be payable to the Surety as the Work progresses, subject to the terms of the Contract Documents and the Task Order. Contractor hereby consents to assigning to OC San and/or OC San's replacement contractor all subcontracts and other agreements of any and all Subcontractors and/or Suppliers that may be on the worksite and/or may be necessary to complete the Work in the event of Termination for Default or Termination for Convenience, as set forth below. Contractor agrees to obtain, by way of a subcontract provision, the consent of each and every Subcontractor and/or Supplier for such assignment prior to the commencement of each such Subcontractor's and/or Supplier's Work on the Task Order.

In the event of such termination, the Contractor will be paid the actual amount due based on unit prices or lump sums in any awarded Task Order and the quantity of Work completed at the time of termination, less damages caused to OC San by acts of the Contractor causing the termination, including but not limited to, all costs to OC San arising from professional services and attorneys' fees and all costs generated to insure or bond the Work of substituted Contractors or Subcontractors utilized to complete the Work, such excess shall be paid to the Contractor. If such costs exceed the unpaid balance, the

Contractor shall pay the difference to OC San promptly upon demand. On failure of the Contractor to pay, the Surety shall pay on demand by OC San. Any portion of such difference not paid by the Contractor or Surety within thirty (30) days following the mailing of a demand for such costs shall earn interest at the maximum rate authorized by California law.

The Contractor and OC San agree that nothing in this section is intended to be or is a prevailing party clause as it pertains to attorney's fees.

The foregoing provisions are in addition to and not in limitation of any other rights or remedies under law or in equity available to OC San.

If it is later determined by OC San that the Contractor had an excusable reason for not performing, such as a fire, flood, or other event which was not the fault of or was beyond the control of the Contractor, OC San, after setting up a new performance schedule, may allow the Contractor to continue Work, or treat the termination as a termination for convenience, and the rights and obligations of the Parties shall be the same as if the termination had been issued for the convenience of OC San.

All OC San's property in the possession or control of Contractor shall be returned by Contractor to OC San on demand or at the termination of this Contract, whichever occurs first.

29. **Attorney's Fees.** If any action at law or in equity or if any proceeding in the form of an Alternative Dispute Resolution (ADR) is necessary to enforce or interpret the terms of this Contract, each Party shall bear their own attorney's fees, costs, and other dispute resolution costs.
30. **Waiver.** The waiver by either party of any breach or violation of, or default under, any provision of this Contract shall not be deemed a continuing waiver by such party of any other provision or of any subsequent breach or violation of this Contract or default thereunder. Any breach by Contractor to which OC San does not object shall not operate as a waiver of OC San's rights to seek remedies available to it for any subsequent breach.
31. **Severability.** If any section, subsection, or provision of this Contract; or any agreement or instrument contemplated hereby; or the application of such section, subsection, or provision is held invalid, the remainder of this Contract or instrument in the application of such section, subsection, or provision to persons or circumstances other than those to which it is held invalid, shall not be affected thereby, unless the effect of such invalidity shall be to substantially frustrate the expectations of the Parties.
32. **Survival.** The provisions of this Contract dealing with payment, warranty, indemnity, and forum for enforcement shall survive expiration or early termination of this Contract.
33. **Governing Law.** This Contract shall be governed by and interpreted under the laws of the State of California and the Parties submit to jurisdiction in the County of Orange in the event any action is brought in connection with this Contract or the performance thereof.
34. **Task Orders.** OC San does not guarantee that Contractor will receive any individual Task Order, nor that the Contractor will receive an equal number of Task Orders as compared to any other qualified Contractors.

- 34.1 Each Task Order shall not exceed Five Hundred Thousand Dollars (\$500,000).
- 34.2 OC San will order the Services through a Request for Task Order Bid. Each Request for Task Order Bid will contain a detailed Scope of Services and may require attendance at a job walk (including Subcontractors, as needed) prior to the submission of a Task Order Bid.

All communications to OC San relating to a Protest shall be in writing and submitted by email to Purchasing@ocsan.gov. By submitting a Task Order Bid (TOB), each Contractor hereby agrees and understands that the Contractor must comply with these protest procedures and exhaust all administrative remedies set forth herein prior to the initiation of any type of related legal action. Upon the express written agreement of the parties, this protest procedure can also be used to resolve issues surrounding OC San's determination of a Contractor as not responsible. This procedure is not intended to address issues concerning TOB responsiveness. The following terms as used in this Section shall have the following meanings:

- Affected Parties shall mean bidders on a procurement, whose direct economic interest would be affected by a submitted protest.

- Protest shall mean a written objection by an Interested Party or Affected Party to
 - (i) the requirements or specifications contained in the RFTOB (solicitation protest); or
 - (ii) a proposed award recommendation (award protest).
- Days shall mean calendar days, unless otherwise specified.
- Interested Party shall mean (1) on solicitation, all Contractors or prospective Contractors; (2) on award, the unsuccessful Contractor(s) with a direct economic interest in the outcome of their protest.

- Award Protest Statement shall mean a written objection to the award recommendation prior to final action to award the Task Order Bid, which shall be submitted after receipt of Task Order Bids, but before award of a Task Order Bid, as specified herein.
- File or Submit shall refer to the date of receipt by OC San.

The Purchasing Manager, or designee, shall review the facts and all submittals relative to the Award Protest Statement and shall issue a written decision setting forth the basis for such decision. The written decision will be issued to the protestor and to all Affected Parties.

Unless otherwise required by law, no evidentiary hearing or oral argument shall be provided, except in the sole discretion of the Purchasing Manager, or designee.

In the event a hearing is conducted, the Purchasing Manager, or designee, shall issue written notice to the protestor and Affected Parties identifying the date and time for the hearing, along with rules concerning the hearing.

For Task Orders to be awarded by the General Manager, the decision of the Director of Finance and the Director of the Department requesting the Procurement shall be final.

C. Delay in Award

Execution of any proposed contract shall be delayed pending the resolution of the protest unless one or more of the following conditions is present:

3. Failure to make prompt award will otherwise cause undue harm to OC San.

D. No Limitation on Remedies

Nothing contained herein shall be construed to act as a limitation on OC San's choice of remedies or confer any right upon any Interested Party or Affected Party to a remedy.
