Schedule of Insurers**

Attached is a sheet of the **current** insurers on the property insurance program showing their regulatory status in CA. (Far right column). All of these carriers have been approached for the property renewal. There are over 20 carriers participating on OCSD's programs in total, and it is not possible to complete it without the use of many non-admitted carriers.

Public agencies in CA tend to **not** have as many admitted carriers (if any) on their program as these are generally more expensive and less flexible in terms of coverage than non-admitted. The main benefit is that admitted carriers have access to the California Guarantee Insurance Fund (CIGA), and non-admitted do not. The normal process for determining or obviating against not having access to the fund is to use only financially strong non-admitted carriers. The carriers' ratings (AM Best, middle column) are all A rated, and most are on the "large" sixer in terms of assets.
