SUBJECT: Notice to all Bidders  
Project No. FR2-0018, Activated Sludge Clarifier Repairs at Plant No. 2

This notice supersedes the Award Recommendation Notice issued by the Orange County Sanitation District (OC SAN) on December 15, 2021, for the above-referenced Project. After further evaluation of the bids, the Evaluation Team has determined that there was an inadvertent error in the IFB documents, which resulted in ambiguity in the bidding requirements. The Evaluation Team hereby rescinds its previous recommendation and will recommend rejecting all bids and re-advertising the Project in early 2022.

The recommendation will be included as an item on OC SAN's Operations Committee agenda. The Operations Committee Meeting is scheduled for:

Date: February 2, 2022  
Time: 5:00 P.M. Pacific Time  
Location: Orange County Sanitation District  
Board Room, Administration Building  
10844 Ellis Avenue  
Fountain Valley, CA 92708

If approved by the Operations Committee, the recommendation will be forwarded to OC SAN's Board of Directors for approval. The Board of Directors Meeting is scheduled for:

Date: February 23, 2022  
Time: 6:00 P.M. Pacific Time  
Location: Orange County Sanitation District  
Board Room, Administration Building  
10844 Ellis Avenue  
Fountain Valley, CA 92708

The Final Agenda Report will be posted not less than 72 hours prior to the Board of Directors Meeting. Should you wish to determine if the item has been placed on the agenda, please contact the Clerk of the Board at (714) 593-7433.
