<b>Proposed Legislation 2024</b>						
<b>High Priority</b>						
AB 234	Bauer-Kahan [D]	The Microbeads Nuisance Prevention Law prohibits a person from selling or offering for promotional purposes in the state any personal care products containing plastic microbeads that are used to exfoliate or cleanse in a rinse-off product, including, but not limited to, toothpaste. This bill would express the intent of the Legislature to enact subsequent legislation that would prohibit the sale in this state of rinse-off cosmetics, detergents, waxes, and polishes that contain intentionally added synthetic polymer microparticles, including products identified in the synthetic polymer microparticle Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) restrictions adopted by the European Union (EU).	Two Year Bill	Support	<b>State Priorities:</b> Support legislation or regulations that restrict the use of microplastics and chemicals of emerging concern in any product that is disposed of through the sewer system.	ACC-OC - NYC LOCC - NYC CASA - Support in Concept CSDA - Watch ACWA - NYC
AB 340	Fong [R]	The California Environmental Quality Act (CEQA) prohibits an action or proceeding from being brought in a court to challenge the approval of a project by a public agency unless the alleged grounds for noncompliance are presented to the public agency orally or in writing by a person during the public comment period provided by CEQA or before the close of the public hearing on the project before the issuance of the notice of determination. This bill would require the alleged grounds for noncompliance with CEQA presented to the public agency in writing be presented at least 10 days before the public hearing on the project before the issuance of the notice of determination. The bill would prohibit the inclusion of written comments presented to the public agency after that time period in the record of proceedings and would prohibit those documents from serving as basis on which an action or proceeding may be brought.	Two Year Bill	Watch	<b>Legislative and Regulatory Policies:</b> <b>Environment/Climate Resiliency</b> - Support efforts to reform the California Environmental Quality Act (CEQA) to streamline current procedures and regulations for projects to refurbish or replace existing infrastructure facilities.	ACC-OC - NYC LOCC - NYC CASA - NYC CSDA - Watch ACWA - NYC
AB 805	Arambula [D]	Authorizes the State Water Resources Control Board (State Water Board) to require a sewer service provider—for a sewer system that has the reasonable potential to cause a violation of water quality objectives; impair present or future beneficial uses of water; or cause pollution, nuisance, or contamination of waters of the state—to contract with an administrator designated or approved by the State Water Board.	Currently in the Senate Rules Committee	Watch	<b>Legislative and Regulatory Policies: Special Districts</b> - Oppose further state regulations that adversely impact special district financing, operations, and administration.	ACC-OC - NYC LOCC - NYC CASA - NYC CSDA - Oppose ACWA - Not Favor
AB 1152	Patterson [R]	Would exempt from the California Environmental Quality Act (CEQA) a project to construct or expand a recycled water pipeline for the purpose of mitigating drought conditions for which a state of emergency was proclaimed by the Governor if the project meets specified criteria. Because a lead agency would be required to determine if a project qualifies for this exemption, this bill would impose a state-mandated local program. The bill would also exempt from CEQA the development and approval of building standards by state agencies for recycled water systems.	Two Year Bill	Watch	<b>Legislative and Regulatory Policies:</b> <b>Environment/Climate Resiliency</b> - Support efforts to reform the California Environmental Quality Act (CEQA) to streamline current procedures and regulations for projects to refurbish or replace existing infrastructure facilities. BILL	AUTHOR	SUMMARY	LATEST ACTION	OC SAN POSITION	LEGISLATIVE PLAN	OTHER POSITIONS
AB 1196	Villapadua [D]	The Water Quality, Supply, and Infrastructure Improvement Act of 2014, a bond act approved by the voters as Proposition 1 at the November 4, 2014, statewide general election, authorizes the issuance of general obligation bonds to finance a water quality, supply, and infrastructure improvement program, as specified. Under the bond act, \$520,000,000 is available, upon appropriation by the Legislature, for expenditures, grants, and loans for projects that improve water quality or help provide clean, safe, and reliable drinking water to all Californians. Current law requires projects eligible for this funding to help improve water quality for a beneficial use. This bill would make a nonsubstantive change to the latter provision.	Two Year Bill	Watch	<b>Guiding Priorities:</b> Obtain financial assistance for OC San projects through grants, loans, and legislative directed funding.	ACC-OC - NYC LOCC - NYC CASA - Support if Amended CSDA - Watch ACWA - NYC
AB 1567	E. Garcia [D]	Would enact the Safe Drinking Water, Wildfire Prevention, Drought Preparation, Flood Protection, Extreme Heat Mitigation, Clean Energy, and Workforce Development Bond Act of 2024, which, if approved by the voters, would authorize the issuance of bonds in the amount of \$15,995,000,000 pursuant to the State General Obligation Bond Law to finance projects for safe drinking water, wildfire prevention, drought preparation, flood protection, extreme heat mitigation, clean energy, and workforce development programs.	Referred to the Senate Natural Resources and Water Committee and the Senate Governance and Finance Committee	Watch	<b>Guiding Priorities:</b> Obtain financial assistance for OC San projects through grants, loans, and legislative directed funding.	ACC-OC - NYC LOCC - Support if Amended CASA - Support if Amended CSDA - Support if Amended ACWA - Support if Amended
AB 1660	Ta [R]	Existing law requires the State Air Resources Board to adopt regulations to achieve the maximum feasible reduction in volatile organic compounds emitted by consumer products, as defined, if the state board determines adequate data exist to establish the regulations are necessary to attain state and federal ambient air quality standards and the regulations are commercially and technologically feasible and necessary. This bill would authorize the state board to exempt an intentionally added PFAS from that prohibition if the state board determines that the intentionally added PFAS has characteristics that are beneficial for the environmental goals of the State of California and is not identified as persistent, bioaccumulative, and toxic to the environment. This bill contains other existing laws.	Two Year Bill	Watch	<b>State Priorities:</b> Monitor state legislation as well as State Water Resources Control Board (SWRCB) regulatory activity related to PFAS.	ACC-OC - NYC LOCC - NYC CASA - Oppose CSDA - Watch ACWA - NYC
AB 2257	Wilson [D]	This bill would prohibit, if a local agency complies with specified procedures, a person or entity from bringing a judicial action or proceeding alleging noncompliance with the constitutional provisions for any new, increased, or extended fee or assessment, as defined, unless that person or entity has timely submitted to the local agency a written objection to that fee or assessment that specifies the grounds for alleging noncompliance, as specified. This bill would provide that local agency responses to the timely submitted written objections shall go to the weight of the evidence supporting the agency's compliance with the substantive limitations on fees and assessments imposed by the constitutional provisions. BILL	AUTHOR	SUMMARY	LATEST ACTION	OC SAN POSITION	LEGISLATIVE PLAN	OTHER POSITIONS
AB 2515	Papan [D]	This bill would similarly prohibit any person from selling in the state any menstrual products that contain regulated PFAS, as defined. The bill would require, no later than January 1, 2027, the Department of Toxic Substances Control (DTSC), in consultation with the State Department of Public Health, to identify and assess the hazards of chemicals or chemical classes that can provide the same or similar function in menstrual products as regulated PFAS and that can impact vulnerable populations and to make this information publicly available on the DTSC's internet website.	Introduced	Watch	<b>State Priorities:</b> Monitor state legislation as well as State Water Resources Control Board (SWRCB) regulatory activity related to PFAS. <b>SB 903</b>	<b>Skinner [D]</b>	This bill would, beginning January 1, 2030, prohibit a person from distributing, selling, or offering for sale a product that contains intentionally added PFAS, as defined, unless the Department of Toxic Substances Control has made a determination that the use of PFAS in the product is a currently unavoidable use, the prohibition is preempted by federal law, or the product is used. The bill would specify the criteria and procedures for determining whether the use of PFAS in a product is a currently unavoidable use, for renewing that determination, and for revoking that determination. The bill would require the department to maintain on its internet website a list of each determination of currently unavoidable use, when each determination expires, and the products and uses that are exempt from the prohibition. The bill would impose a civil penalty for a violation of the prohibition, as specified. BILL	AUTHOR	SUMMARY	LATEST ACTION	OC SAN POSITION	LEGISLATIVE PLAN	OTHER POSITIONS
SB 1210	Skinner [D]	This bill would, for new housing construction, prohibit a connection, capacity, or other point of connection charge from a public utility, as defined, or a special district, as defined, for electrical, gas, sewer, or water service from exceeding 1% of the reported building permit value of that housing unit. The bill would require a public utility or special district to issue an above-described charge over a period of at least 10 years commencing on the date when the housing unit is first occupied, as specified. The bill would require a public utility to publicly report on its internet website the amount of any charge issued each year pursuant the above-described provision by the housing unit's address. The bill would also require a public utility to prioritize the processing, approval, scheduling, and completion of electrical, gas, sewer, and water service connections to new housing construction over the processing, approval, scheduling, and completion of service connections to all other structures.
