<b>SB 937</b>	<b>Wiener [D]</b>	The Planning and Zoning Law requires each county and each city to adopt a comprehensive, long-term general plan for its physical development, and the development of specified land outside its boundaries, that includes, among other mandatory elements, a housing element. Existing law extended by 18 months the period for the expiration, effectuation, or utilization of a housing entitlement, as defined, that was issued before, and was in effect on, March 4, 2020, and that would expire before December 31, 2021, except as specified. Existing law provides that if the state or a local agency extended the otherwise applicable time for the expiration, effectuation, or utilization of a housing entitlement for not less than 18 months, as specified, that housing entitlement would not be extended an additional 18 months pursuant to these provisions. This bill would extend by 24 months the period for the expiration, effectuation, or utilization of a housing entitlement, as defined, that was issued before January 1, 2024, and that will expire before December 31, 2025, except as specified. The bill would toll this 24-month extension during any time that the housing entitlement is the subject of a legal challenge. <b>SB 1210</b>	<b>Skinner [D]</b>	The California Constitution establishes the Public Utilities Commission, with jurisdiction over all public utilities. Current law defines the term "public utility" for certain purposes to include, among other corporations, every gas corporation, electrical corporation, water corporation, and sewer system corporation, where the service is performed for, or the commodity is delivered to, the public or any portion thereof. This bill would, for new housing construction, prohibit a connection, capacity, or other point of connection charge from a public utility, as defined, or a special district, including a municipal utility district, for electrical, gas, sewer, or water service from exceeding 1% of the reported building permit value of that housing unit. The bill would require a public utility or special district to issue an above-described charge over a period of at least 10 years commencing on the date when the housing unit is first occupied, as specified. The bill would require a public utility or special district to publicly report on its internet website the amount of any charge issued each year pursuant the above-described provision by the housing unit's address.
