CAPITAL IMPROVEMENT PROGRAM CONTRACT PERFORMANCE REPORT

GENERAL MANAGER'S RECOMMENDATION

RECOMMENDATION: Recommend to the Board of Directors to:

Receive and file the Capital Improvement Program Contract Performance Report for the period ending June 30, 2019.

BACKGROUND

The Capital Improvement Program involves awarding and managing many construction and consulting contracts. In 2008, the Orange County Sanitation District (Sanitation District) Board of Directors began awarding contingencies along with construction and consulting contracts and amendments for consulting contracts up to the amount of the approved contingency. This practice reduces administrative costs, expedites resolution of project issues that arise, helps avoid Contractor delay claims, and facilitates efficient management of many contracts.

The Capital Improvement Program Contract Performance Report summarizes construction and consulting contract performance and activities for the quarter ending June 30, 2019. This report is updated quarterly. The tables listing active construction and design consultant contract data have been revised for clarity since the previous quarter.
