(hereinafter designated "Depository Bank") on the other hand.

WITNESSETH:

WHEREAS, the Treasurer proposes to deposit in the Depository Bank from time to time, commencing on March 30, 2017 moneys in his/her custody in an aggregate amount on deposit at any one time not to exceed the total of the shareholders' equity of the Depository Bank, and said moneys will be deposited subject to Title 5, Division 2, Part 1, Chapter 4, Article 2 (commencing with Section 53630) of the Government Code of the State of California; and

WHEREAS, said provisions of the Government Code require the Treasurer to enter into a contract with the Depository Bank setting forth the conditions upon which said moneys are deposited; and

WHEREAS, in the judgment of the Treasurer, this contract is to the public advantage;

NOW, THEREFORE, it is agreed between the parties hereto as follows:

1. This contract cancels and supersedes any previous contracts between the Treasurer and the Depository Bank relating to the method of handling and collateralization of deposits of moneys.
2. This contract, but not deposits then held hereunder, shall be subject to termination by the Treasurer or the Depository Bank at any time upon 30 days' written notice. Deposits may be withdrawn in accordance with the agreement of the parties and applicable federal and state statutes, rules and regulations. This contract is subject to modification or termination upon enactment of any statute, rule or regulation, state or federal, which, in the opinion of the Administrator of Local Agency Security, is inconsistent herewith, including any change relative to the payment of interest upon moneys so deposited by the Treasurer.
3. Interest shall accrue on any moneys so deposited as permitted by any act of the Congress of the United States or by any rule or regulation of any department or agency of the Federal Government adopted pursuant thereto. If interest may legally be paid, all

Notwithstanding the provisions of subdivision (m) of Government Code Section 53651, no promissory note secured by a lien on real property will be used to secure any moneys deposited in accordance with this contract unless the Depository Bank is deemed to be an acceptable investment quality by the County Treasurer/Tax Collector as prescribed in his Official Investment Policy. If a promissory note is secured by a lien on real property, it must have a market value at least 50% in excess of the actual total amount of local agency money on deposit with the Depository Bank. If any eligible security is determined by the Administrator of Local Agency Security of the State of California in accordance with the Government Code Section 53661 to be not qualified to secure public deposits, additional security shall be substituted immediately by the Depository Bank, as necessary, to comply with the requirements of this Paragraph.
6. Eligible securities are those listed in Government Code Section 53651.
7. The Agent of Depository Bank, authorized by the Treasurer and the Depository to hold the eligible securities posted as collateral under this contract is TIB Dallas, The Independent Bankers' Bank (hereinafter designated as "Agent of Depository Bank"). Action of the Administrator in converting the collateral required by Paragraph

5 above for the benefit of the Treasurer is governed by Government Code Section 53665.

10. The Depository Bank may add, substitute or withdraw eligible securities being used as security for deposits made hereunder in accordance with Government Code Section 53654, provided the requirements of Paragraph 5 above are met.
11. The Depository Bank shall have and hereby reserves the right to collect the interest on the securities, except in cases where the securities are liable to sale or are sold or converted in accordance with the provisions of Government Code Section 53665.
12. The Depository Bank shall bear and pay the expenses of transportation to and from the Treasurer's office of moneys so deposited and the expense of transportation of eligible securities maintained as collateral to and from the designated Agent of Depository Bank. The Depository Bank shall also handle, collect and pay all checks, drafts and other exchange without cost to Depositor.
