**Agenda Item No:** 2.

**FROM:** Robert Thompson, General Manager

**SUBJECT:**

### LEGISLATIVE AFFAIRS UPDATE FOR THE MONTH OF OCTOBER 2023

#### GENERAL MANAGER'S RECOMMENDATION

RECOMMENDATION: Recommend to the Board of Directors to:

Receive and file the Legislative Affairs Update for the month of October 2023.

#### BACKGROUND

The Orange County Sanitation District's (OC San) legislative affairs program includes advocating for OC San's legislative interests; sponsoring legislation (where appropriate); and seeking Local, State, and Federal funding for projects and programs.

#### RELEVANT STANDARDS

- Maintain influential legislative advocacy and a public outreach program
- Build brand, trust, and support with policy makers and community leaders
- Maintain collaborative and cooperative relationships with regulators, stakeholders, and neighboring communities

#### PROBLEM

Without a strong advocacy program, elected officials may not be aware of OC San's mission, programs, and projects and how they could be impacted by proposed legislation.

#### PROPOSED SOLUTION

Continue to work with Local, State, and Federal officials to advocate for OC San's legislative interests. Help to create/monitor legislation and grants that would benefit OC San, the wastewater industry, and the community. To assist in relationship building efforts, OC San will continue to reach out to elected officials through facility tours, one-on-one meetings, and trips to Washington D.C. and Sacramento.

## **RAMIFICATIONS OF NOT TAKING ACTION**

If OC San does not work with Local, State, and Federal elected officials, legislation could be passed that negatively affects OC San and the wastewater industry. Additionally, a lack of engagement may result in missed funding opportunities.

## **ADDITIONAL INFORMATION**

### **State of OC San**

The State of OC San took place on Friday, October 27, 2023 and was a success. The in-person event hosted nearly 150 attendees including Local, State, and Federal dignitaries and provided an update on OC San, the agency's accomplishments, and the future direction of the agency. A tour of Plant No. 1 took place immediately following the event.
