

ORANGE COUNTY SANITATION DISTRICT

INVESTMENT POLICY STATEMENT

1.0 **Policy:**

It is the policy of the Orange County Sanitation District (Sanitation District) to invest public funds in a manner which ensures the safety and preservation of capital while meeting reasonably anticipated operating expenditure needs, achieving a reasonable rate of return and conforming to all state and local statutes governing the investment of public funds.

1.1. This Investment Policy is set forth by the Sanitation District for the following purposes:

1.1.1. To establish a clear understanding for the Board of Directors, Sanitation District management, responsible employees, and third parties of the objectives, policies, and guidelines for the investment of the Sanitation District's idle and surplus funds.

1.1.2. To offer guidance to investment staff and any external investment advisors on the investment of Sanitation District funds.

1.2. The Sanitation District establishes investment policies which meet its current investment goals. The Sanitation District shall review this policy annually and may change its policies as its investment objectives change.

2.0 **Scope:**

This Investment Policy applies to all financial assets of the Sanitation District; except for the proceeds of the Sanitation District's capital projects financing program, which are invested in accordance with provisions of their specific bond indentures; and such other funds excluded by law or other Board-approved covenant or agreement.

These funds are accounted for by the Sanitation District as Enterprise Funds as represented in the Sanitation District's Comprehensive Annual Financial Report.

3.0 **Standard of Prudence:**

The standard of prudence to be used by Sanitation District internal staff, and any authorized investment advisor(s), shall be as described in Section 53600.3 of the California Government Code as follows: Except as provided in subdivision (a) of Section 27000.3, all governing bodies of local agencies or persons authorized to make investment decisions on behalf of those local agencies investing public funds pursuant to this chapter are trustees and therefore fiduciaries subject to the **prudent investor** standard. When investing, reinvesting, purchasing, acquiring, exchanging, selling, or managing public funds, a trustee shall act with care, skill, prudence, and diligence under

the circumstances then prevailing, including, but not limited to, the general economic conditions and the anticipated needs of the agency, that a **prudent person** acting in a like capacity and familiarity with those matters would use in the conduct of funds of a like character and with like aims, to safeguard the principal and maintain the liquidity needs of the agency. Within the limitations of this section and considering individual investments as part of an overall strategy, investments may be acquired as authorized by law.

4.0 **Investment Objectives:**

The primary objectives of the Sanitation District's investment activities, in priority order, and as described in Section 53600.5 of the California Government Code, shall be:

- 4.1 **Safety:** The safety and preservation of principal is the foremost objective of the investment program of the Sanitation District. Investments shall be selected in a manner that seeks to ensure the preservation of capital in the Sanitation District's overall portfolio. This will be accomplished through a program of diversification, more fully described in Section 13.0, and maturity limitations, more fully described in Section 14.0, in order that potential losses on individual securities do not exceed the income generated from the remainder of the portfolio.
- 4.2 **Liquidity:** The investment program will be administered in a manner that will ensure that sufficient funds are available for the Sanitation District to meet its reasonably anticipated operating expenditure needs.
- 4.3 **Return on Investments:** The Sanitation District investment portfolio will be structured and managed with the objective of achieving a market rate of return throughout budgetary and economic cycles, commensurate with legal, safety, and liquidity considerations.

5.0 **Delegation of Authority:**

Such external investment advisors, which shall be selected through a competitive process, shall be granted discretion to purchase and sell investment securities in accordance with this Investment Policy. Such advisors must be registered under the Investment Advisers Act of 1940 or be exempt from such registration.

6.0 **Ethics and Conflicts of Interest:**

The Investment Advisor shall provide the Sanitation District with a list of suitable independent brokerage firms (including names and addresses) meeting the requirements of Government Code Section 53601.5, and, unless otherwise directed by the Sanitation District, the Investment Advisor may utilize the service of any of such independent securities brokerage firms it deems appropriate to the extent that such firms are competitive with respect to price of services and execution.
