RE: Closed Session Items

---

The Board of Directors desires to hold a closed session on March 25, 2020 for the purpose of conferring with its legal counsel regarding anticipated litigation. Existing facts and circumstances reflect a significant exposure to litigation against the District. The closed session will be held pursuant to the authority of California Government Code Section 54956.9(d)(2). The facts and circumstances are as follows: Ignacio Castro has filed a claim for damages against the District. The claim alleges that Mr. Castro was injured in a car accident caused by the presence of District contractors working on a District construction project.

Respectfully submitted,
