The procedures performed and associated findings are as follows:

 We obtained the completed worksheets setting forth the calculations necessary to establish OC San's appropriations limit and compared the 2024-25 limit and annual adjustment factors included in those worksheets to the limit and annual adjustment factors that were adopted by resolution of OC San's Board of Directors. We also compared the population and inflation options included in the aforementioned worksheets to those that were selected by a recorded vote of OC San's Board of Directors.

Finding: No exceptions were found as a result of applying the procedure.

2. We added last year's limit to the annual adjustment amount and compared the resulting amount to the 2024-2025 appropriations limit.

Finding: No exceptions were found as a result of applying the procedure.

3. We compared the current year information to the worksheets described in Procedure 1 above and to information provided by the California State Department of Finance.

Finding: No exceptions were found as a result of applying the procedure.

4. We agreed the prior year appropriations limit to the prior year appropriations limit adopted by OC San's Board of Directors.
