Chair Gallagher also reported that it is intended to hold the August Steering and Board meetings in the new Headquarters and that the location of the meetings will be highlighted on the public notice and will be included in the agenda packet distribution email approximately a week prior to the meeting. Lastly, Chair Gallagher reported that an annual picture of the Board of Directors will be taken in August, with the picture being taken in-between the Steering Committee and Board meetings.

General Manager Rob Thompson reported that the worldwide systems outage from CrowdStrike did not affect any OC San on premise business solutions. Mr. Thompson also reported on speaking engagements he recently participated in, including the CEO Roundtable at the Singapore International Water Week, and his participation today in a podcast called "The C-Suite Level Peer-to Peer Forum" where executives around the world shared industry efforts internationally. This podcast series is anticipated to be published in August.
