BACKGROUND

The Orange County Sanitation District's (OC San) Records Management Program is being updated to meet statutory regulations and agency changes to better serve the operational needs of OC San. OC San's Records Management Program documents how long various types of information is to be kept, as dictated by the legal, fiscal, operational, and audit needs of OC San. As a public agency, there is an obligation to effectively manage and maintain OC San's information, most of which is classified as public information.

RELEVANT STANDARDS

- Maintain and adhere to appropriate internal planning documents: Resolution No. OC SAN 26-03 (Current Records Management Program Procedures and Records Retention Schedule)
- Comply with Government Code §60200 through 60204
- Comply with Government Code §7920.000 et seq.

PROBLEM

There was an error in the attached Records Retention Schedule during the adoption of Resolution No. OC SAN 26-03.

PROPOSED SOLUTION

Adopt the updated OC San Records Management Program Procedures to include the correct

Records Retention Schedule which reflects the current legal regulatory requirements and operational requests.

TIMING CONCERNS

Destruction of some records may not be authorized until the updated Records Retention Schedule is approved.

RAMIFICATIONS OF NOT TAKING ACTION

Records will be kept longer than legally required, which will impact compliance with the current retention regulations, as well as the need and costs associated with additional storage space.

PRIOR COMMITTEE/BOARD ACTIONS

ADDITIONAL INFORMATION

As dictated by the current legal, audit, business, and operational needs of OC San, changes were made to existing record types, which include the retention length, record descriptions, and legal citations.
