4. Stanek Constructors, Inc.	\$8,414,700
5. Innovative Construction Solutions	\$8,732,865
6. Steve P. Rados, Inc.	\$8,837,625
7. Myers & Sons Construction LLC	\$10,620,000
8. OHL USA, Inc.	\$10,839,350
Engineer's Estimate	\$14,000,000

6

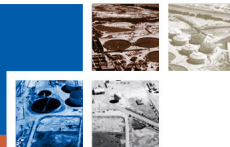

Protest

- 2nd Low Bidder, W.M. Lyles Co., alleged issues with Shimmick's safety record
- In consultation with General Counsel, staff reviewed and determined the protest does not merit a change to the award recommendation
 - Many incidents are still pending determination
 - Several were against joint venture partners
 - No clear and consistent pattern of violations

7

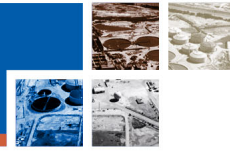

Recommendations

- Deny award protest filed by W.M. Lyles Co.;
- Award a Construction Contract to Shimmick Construction Company for Return Activated Sludge Piping Replacement at Plant No. 2, Project No. P2-123, for a total amount not to exceed \$6,042,111.35; and
- Approve a Construction Contract contingency of \$604,211 (10%).

8

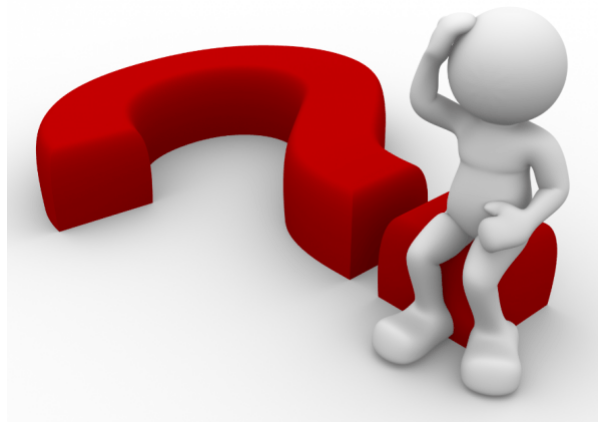

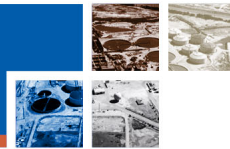

Recommendations

- Approve a Professional Construction Services (PCSA) Agreement with Spec Services Inc. to provide construction support services for Return Activated Sludge Piping Replacement at Plant No. 2, Project No. P2-123, for a total amount not to exceed \$252,329; and
- Approve a contingency of \$25,233 (10%)
