

ORANGE COUNTY SANITATION DISTRICT

2020 LEGISLATIVE PRIORITIES KEY MESSAGE CARD

GUIDING PRIORITIES

- Seek funds for OCSD projects through grants, appropriations, or other means;
- Maintain local control over governance of special districts and other local entities;
- Oppose redundant regulatory and legislative requirements that cause undue constraints on efficient operations;
- Support legislative regulatory streamlining that promotes public health and the environment.

FEDERAL

- **Support legislation** to label wipes as non-flushable/non-dispersible.
- **Advocate for grant and federal water infrastructure funding.**
- **Oppose designation of PFAS** as a hazardous waste.

STATE

- **Support legislation or regulations that discourage the flushing of wipes** through the sewer system, unless they meet certain performance standards.
- **Secure funding** through **grants and legislation** for **infrastructure, collection improvements, and alternative renewable energy.**
- **Work with legislators to ensure that no unrealistic, one size fits all, regulations** are placed on wastewater treatment facilities requirements for discharging.
