**FROM:** Robert Thompson, General Manager

**SUBJECT:**

**PUBLIC AFFAIRS UPDATE FOR THE MONTH OF APRIL 2023**

**GENERAL MANAGER'S RECOMMENDATION**

RECOMMENDATION:

Receive and file the Public Affairs Update for the month of April 2023.

**BACKGROUND**

Included in this report are recent activities of interest managed by the Public Affairs Office for the month of April 2023.

**RELEVANT STANDARDS**

- Maintain influential legislative advocacy and a public outreach program
- Build brand, trust, and support with policy makers and community leaders
- Maintain collaborative and cooperative relationships with regulators, stakeholders, and neighboring communities
- Listen to and seriously consider community input on environmental concerns

**PROBLEM**

The Orange County Sanitation District (OC San) is well-recognized within the water/wastewater industry; however, within our service area, as we do not have direct communications through a billing

method, there may be limited knowledge by our customers of the important work we do to protect public health and the environment. In general, the customers we serve may not realize that when they improperly dispose of waste into the sanitation system, it can negatively affect our sewer lines, our treatment plants, and the quality of water we supply for the Groundwater Replenishment System.

## **PROPOSED SOLUTION**

By providing tours, community outreach, education, and general communication via OC San's website, social media, and direct mailings, we can share information with the community, local agencies, and businesses on our messaging such as the What2Flush program, energy production, water recycling, biosolids, and OC San's source control program. This, in turn, helps improve the quality of wastewater that is recycled or released to the ocean and the knowledge and understanding of wastewater treatment.

## **RAMIFICATIONS OF NOT TAKING ACTION**

If OC San does not inform the community, local agencies, and area businesses about OC San, we may not have the support necessary to deliver our mission.

## **PRIOR COMMITTEE/BOARD ACTIONS**

July 2022 - Public Affairs Strategic Plan for Fiscal Year 2022-2024 approved.
