**FROM:** Robert Thompson, General Manager  
Originator: Wally Ritchie, Director of Finance

**SUBJECT:**

**PROPOSED ADOPTION OF ORDINANCE NO. OC SAN-61 UPDATING THE PURCHASING ORDINANCE**

**GENERAL MANAGER'S RECOMMENDATION**

RECOMMENDATION: Recommend to the Board of Directors to:

- A. Introduce Ordinance No. OC SAN-61, entitled: "An Ordinance of the Board of Directors of the Orange County Sanitation District Establishing Requirements and Procedures for the Purchase of Goods, Services, and Public Works Projects; and Repealing Ordinance No. OC SAN-56";
- B. Motion to read Ordinance No. OC SAN-61 by title only and waive reading of said entire Ordinance on June 28, 2023;
- C. Set July 26, 2023, as the date for the second reading and adoption of Ordinance No. OC SAN-61; and
- D. Direct the Clerk of the Board to publish summaries of the Ordinance as required by law.

**BACKGROUND**

The proposed Purchasing Ordinance sets forth the requirements that apply to the Orange County Sanitation District's (OC San) purchase of goods and services. The proposed Ordinance updates the

requirements currently set forth in Ordinance No. OC SAN-56 and clarifies several individual requirements and procedures. The Ordinance, for example, modifies solicitation thresholds and procurement approval levels.

## **RELEVANT STANDARDS**

- Build brand, trust, and support with policy makers and community leaders
- CA Public Contract Code Section 20783
- CA Government Code Section 4526 & 54202
- Ensure the public's money is wisely spent

## **PROBLEM**

OC San has not updated its solicitation limits in a significant amount of time. The value of goods and services has increased significantly year over year, causing the procurement process to take longer due to the solicitation limits. This may delay critical system repairs and maintenance.

## **PROPOSED SOLUTION**

Adopt an Ordinance with the new proposed purchasing requirements and authority based on OC San's staff thorough review and analysis of the limitations of the existing Ordinance.

## **TIMING CONCERNS**

The timing for adoption of the proposed Ordinance is as follows:

May 2023 - Discussion of Proposed Ordinance Updates with Operations and Administration Committees.

June 2023 - Introduction of the Ordinance to the Administration Committee.

June 2023 - Introduction and first reading of the Ordinance to the Board of Directors.

July 2023 - Second Reading and Adoption of the Ordinance.

August 25, 2023 - Ordinance takes effect.

## **RAMIFICATIONS OF NOT TAKING ACTION**

The existing Purchasing Ordinance and solicitation limits will remain in effect without modifications.

## **PRIOR COMMITTEE/BOARD ACTIONS**

May 2021 - Adopted Ordinance No. OC SAN-56, entitled: "An Ordinance of the Board of Directors of the Orange County Sanitation District Establishing Requirements and Procedures for the Purchase of Goods, Services, and Public Works Projects; and Repealing Ordinance No. OCSD-52".

## **ADDITIONAL INFORMATION**

Under Government Code Section 54202, OC San must adopt policies and procedures governing the purchase of supplies and equipment.

Government Code Section 4526 applies to the purchase of professional services from private architects, landscape architects, engineers, environmental professionals, land surveyors, and construction managers. Under Section 4526, OC San must select the specified professionals based on demonstrated competence and the professional qualifications necessary for the satisfactory performance of the services required. Section 4526 allows OC San to adopt, by Ordinance, procedures ensuring that the specified services are engaged based on demonstrated competence and professional qualifications at fair and reasonable prices.

Under Public Contract Code Section 20783, OC San must award contracts for public works construction worth more than \$35,000 to the lowest responsive, responsible bidder. Public Contract Code also imposes a variety of requirements on the award of public works construction contracts.

The table below highlights some of the major changes to the ordinance, other administrative changes can also be found in the redline attachment.
