SUBJECT:

DEFERRED PAYMENT AGREEMENT REQUEST FOR CHARGES AND FEES OWED BY NOR-CAL BEVERAGE CO., INC. INDUSTRIAL WASTEWATER DISCHARGE PERMITTEE

GENERAL MANAGER'S RECOMMENDATION

RECOMMENDATION: Recommend to the Board of Directors to:

Approve the request for a deferred payment agreement for charges owed for user fees with Nor-Cal Beverage Co., Inc. in the amount of \$986,149.55.

BACKGROUND

Nor-Cal Beverage Co., Inc. (Nor-Cal Beverage) is the holder of an industrial wastewater discharge permit issued by the Orange County Sanitation District (OC San) that requires payment of user fees for the cost of conveying, treating, and disposing of wastewater discharged. Based on the terms of the permit, the permittee is required to pay estimated quarterly sewer service charges that are reconciled annually with actual discharge flows and strength. The permittee has a current balance of \$986,149.55 in total for the 2021-22 Annual Reconciliation Invoice.

Nor-Cal Beverage previously held two Industrial Wastewater Discharge Permits with OC-San. In fiscal year 2021-22, the discharge from both permits was combined into one permit causing the annual reconciliation to increase significantly. Nor-Cal Beverage was issued a deferred payment agreement last fiscal year which they paid in full with no delinquencies. All other invoices have been paid in full and on time, including the 2022-23 First Quarter Invoice.
