### **SUBJECT:**

### **MOVE MANAGEMENT CONSULTING SERVICES**

### **GENERAL MANAGER'S RECOMMENDATION**

#### RECOMMENDATION:

- A. Approve a Professional Consultant Services Agreement to CBRE, Inc. to provide Move Management Consulting Services, Specification No. CS-2022-1336, for a total amount not to exceed \$108,390; and
- B. Approve a contingency of \$10,839 (10%).

### **BACKGROUND**

Orange County Sanitation District's (OC San) Headquarters Complex at Plant No. 1, Project No. P1-128A, will construct a new Headquarters Building on the north side of Ellis Avenue to house administrative, technical, and engineering staff. The Headquarters Building will also include surface parking and a pedestrian/utility bridge over Ellis Avenue to Plant No. 1. OC San will need to relocate staff to the new Headquarters Building upon completion. The move will include relocating approximately 300 employees from seven different locations to the new Headquarters Building.

### **RELEVANT STANDARDS**

- Provide a safe and collegial workplace
- Ensure the public's money is wisely spent

- Maintain a culture of improving efficiency to reduce the cost to provide the current service level or standard

## **PROBLEM**

OC San staff has limited experience moving staff of this magnitude. An experienced move management company is needed to develop a comprehensive relocation plan to undertake this transition in a cost-effective and efficient fashion. In addition, if this move management were to be done in-house with existing staff, it will cause a significant strain and limit resources on other projects and efforts currently underway.

## **PROPOSED SOLUTION**

Approve the Professional Consultant Services Agreement with CBRE, Inc. to provide move management consultant services. A professional move management company will create a more seamless relocation plan to limit downtime and cost.

## **TIMING CONCERNS**

In order to relocate 300 employees into the new Headquarters Building, move management services should begin no later than the beginning of 2023. This time frame will allow OC San to initiate the contract, create the plan, procure movers, and prepare staff administratively and physically to relocate employees starting December 2023, when the new Headquarters Building is complete.

## **RAMIFICATIONS OF NOT TAKING ACTION**

If a move management consultant is not selected, it will affect the implementation of staff relocation and be less efficient and more disruptive to on-going initiatives.

## **PRIOR COMMITTEE/BOARD ACTIONS**

N/A

## **ADDITIONAL INFORMATION**

The goal of the agreement is for the Consultant to provide the planning and move management which will result in a seamless and smooth transition for OC San staff. The Consultant will be responsible for assisting with all elements of the move into the new Headquarters Building, including the following:

- Pre-move coordination
- Development and maintenance of a moving schedule
- Development of the moving vendor scope of work
- Assistance reviewing moving service bids
- Oversight of all move logistics
