### **BACKGROUND**

#### Executive Management Team

There are six (6) Executive Management Team (EMT) employees who provide executive leadership, strategic direction, and department oversight for the Orange County Sanitation District (OC San).

The General Manager is recommending salary range adjustments annually for the next three years that consist of a 4.5%, 4.0%, and 3.5% and corresponding salary increases.

The salary changes and salary range adjustments would take effect the first pay period in July 2022.

Currently, the EMT's salary market position is at the 56<sup>th</sup> percentile based on refreshed classification and compensation data as of July 2022. The projected market percentile after the three-year increases is 70<sup>th</sup>, which is in alignment with the Board target of 75<sup>th</sup> percentile.

The total three-year cost of the recommendations for the EMT is approximately \$577,100.

### Manager Group

There are fourteen (14) employees in nine (9) manager classifications at OC San who oversee staff within a particular division and align performance with the goals of the agency.

The General Manager is recommending salary range adjustments annually for the next three years that consist of a 4.5%, 4.0%, and 3.5% and corresponding salary increases. Additionally, the General Manager is recommending a one-time payment of \$1,500 in the first year for each member of the group hired or promoted as of the last day of the first full pay period in July 2022; and effective the last full pay period in October 2022, OC San will contribute \$50 a month to a Health Reimbursement Arrangement (HRA) for all employees in the Manager Group, per Internal Revenue Guidance Rev. Rul. 2002-41 and Rev. No. 2002-45.

The salary changes, salary range adjustments and benefit changes would take effect the first pay period of July 2022.

Currently, the Manager Group's salary market position is at the 65<sup>th</sup> percentile based on July 2022 data. The projected market percentile after the three-year increases is 77<sup>th</sup>, which is in alignment with the Board target of 75<sup>th</sup> percentile.

The three-year cost to move all three represented groups to the enhanced plan is approximately \$13,703 in total.

The total cost of the recommendations for Executive Management Team, Manager, and confidential employee classifications is approximately \$2,120,486 over the three-year term.

## **RELEVANT STANDARDS**

- Ensure the public's money is wisely spent
- Offer competitive compensation and benefits
- Cultivate a highly qualified, well-trained, and diverse workforce
- Maintain positive employer-employee relations
- Provide professional growth and development

## **PROBLEM**

With the adoption of the Memoranda of Understanding (MOUs) between OC San and employees in the Supervisory and Professional Management Group (SPMG) and Orange County Employees Association (OCEA), it is customary to align compensation and benefits for Executive Management Team employees, Manager Group employees, and similarly situated unrepresented Confidential Group employees, consistent with past Board action.

## **PROPOSED SOLUTION**

Adopt Resolution Nos. OC SAN 22-27, OC SAN 22-28, OC SAN 22-29, and OC SAN 22-30. This would provide the Executive Management Team, Managers Group, and Confidential Group salary and benefit enhancements in alignment with represented bargaining units for Fiscal Years 2022/2023, 2023/2024, and 2024/2025 and ensure internal alignment across employee groups and prevent salary compaction with subordinate classifications.

## **TIMING CONCERNS**

The Board of Directors ratified three-year MOUs for labor contracts with SPMG and OCEA at the meeting held on July 27, 2022. Historically, salary and benefit adjustments for unrepresented employees are approved the month following adoption of MOUs.

## **RAMIFICATIONS OF NOT TAKING ACTION**

Not taking timely and similar action on salary and benefit adjustments for unrepresented employees in the Executive Management Team, Manager Group, and Confidential Group may impact employee morale, loss of personnel, and create salary compaction with subordinate classifications.

## **PRIOR COMMITTEE/BOARD ACTIONS**

July 2022 - Approved Resolution Nos. OC SAN 22-22 and OC SAN 22-23, adopting the MOUs with the SPMG and OCEA bargaining units for Fiscal Years 2022/2023, 2023/2024, and 2024/2025.

September 2019 - Approved Resolution Nos. OCSD 19-13, OCSD 19-14, OCSD 19-15 and OCSD 19-16, authorizing salary increases, salary range adjustments, and benefit changes for employees in the Executive Management Team, Managers Group and Confidential Group for Fiscal Years 2019/2020, 2020/2021 and 2021/2022.

## **ADDITIONAL INFORMATION**

The Board of Directors ratified three-year labor contracts with SPMG and OCEA at the meeting held on July 27, 2022. Historically, salary and benefit adjustments for unrepresented employees including the EMT, Managers Group, and Confidential Group have aligned with those approved for SPMG and OCEA, and have typically been approved the month following adoption of those MOUs. Alignment prevents compaction and maintains OC San's pay structure and market position.
