General Counsel's Office, departmental subject matter experts, the Clerk of the Board, and Assistant Clerk of the Board have reviewed the minor updates and recommend the proposed changes.

OC San's Records Management Program documents how long various types of information are to be kept, as dictated by the legal, fiscal, operational, and audit needs of OC San. As a public agency, there is an obligation to effectively manage and maintain OC San's information, most of which is classified as public information.
