COMMUNICATIONS AUDIT REPORT

GENERAL MANAGER'S RECOMMENDATION

RECOMMENDATION: Recommend to the Board of Directors to:

Receive and file the Communications Audit Report.

BACKGROUND

As part of the General Manager's Work Plan, a Communications Audit was conducted to assess the various programs, tools, and methods used to communicate with the Sanitation District's internal and external audiences. The audit consisted of interviews, employee surveys, and review of existing communication material. Attached is the executive summary of the report and survey.

RELEVANT STANDARDS

- Build brand, trust, and support with policy makers and community leaders
- Maintain collaborative and cooperative relationships with regulators, stakeholders, and neighboring communities
- Make it easy for people to understand OCSD's roles and value to the community

PROBLEM

Over time, outreach programs can become stagnant and lose their effectiveness. Periodic

assessments are necessary to determine the relevance and value of the various programs and techniques used to communicate to determine where efforts should be placed.

PROPOSED SOLUTION
