SUBJECT:

STATUS OF EARLY LEASE TERMINATION NEGOTIATIONS

GENERAL MANAGER'S RECOMMENDATION

RECOMMENDATION: Receive and file the following:

Summary of Early Lease Termination Agreements.

BACKGROUND

The Orange County Sanitation District (Sanitation District) purchased properties north of Ellis Avenue across from the existing Plant No. 1 facilities. Some of these properties will be demolished to make room for a new administration building for the Sanitation District. However, these buildings have tenants, some of which have leases that expire years in the future. To facilitate the demolition of these buildings and expediate the construction of the new administration building, the Board gave the General Manager authority to begin negotiations with the tenants to terminate their leases early.
